CAS IP Finder expands intellectual property search

Karlsruhe, January 23, 2026 — CAS, our long-standing cooperation partner in the field of scientific and patent information announces complete functionality for CAS IP Finder™, powered by STN™. CAS STNext® customers can now access the full intellectual property search solution across all search methods, expanded content collections, and advanced analysis tools. AI-enhanced intellectual property search solution simplifies complex research and expands curated content access

CAS is a division of the American Chemical Society specializing in scientific knowledge management.

FIZ Karlsruhe – Leibniz Institute for Information Infrastructure is one of the leading addresses for scientific information and services and a member of the Leibniz Association. Our core tasks are to provide science and industry with professional research and patent information and to develop innovative information infrastructures, with, for example, a focus on research data management, knowledge graphs and digital platforms. To this end, we conduct our own research, cooperate with renowned universities and research associations and are internationally and interdisciplinarily networked. FIZ Karlsruhe is a non-profit limited liability company and one of the largest

non-academic institutions of its kind. For more information, please visit
